# general function information

## Why choose the Caledonian Hotel?

The Caledonian Hotel specialises in functions from 18th birthdays to 50th wedding anniversaries. Our staff are friendly and helpful and will go out of their way to ensure your function is a success. We have a number of options available for food and drink and rooms, for sit down events and cocktail parties.

## Food?

We have sit down function menus ranging in price from \$24 per head to \$60 per head. There are menus suitable for more casual events through to contemporary weddings. Dining in our cafe provides the opportunity to pay separately for food and drinks.

## Drinks?

You are able to choose from beverage packages or run a 'tab' on consumption to your specification.

## Room Options?

We have a number of areas and rooms you can book exclusively. They are suitable for private functions from 10 to 90 guests. We have a spectacular beer garden/courtyard which is completely weatherproof and heated and cooled that you are able to book exclusively for day and night time functions. You are able to book out our restaurant dining room exclusively for 40-60 guests on a Friday or Saturday night and for smaller functions midweek. We also have other private rooms suitable for dining functions from 10 to 35 guests.

## Other services?

Most of our areas and rooms have plasma screens that you can use to run a slideshow/photo presentation. All areas are connected to our sound system and music can be supplied from our extensive music library, CD's or an ipod.

We supply non-transferrable wrist bands for our cocktail functions as required.

A DJ is supplied in our main bar free of charge every Friday and Saturday night and we are happy to negotiate on other days.

We supply security free of charge. (Note that there is an additional security charge for 18th birthdays).

## Accessibility?

We are located close to the city at the northern most end of North Adelaide. We have free on site parking and loads of adjacent parking (unmetered) in Barton Terrace.
