general function information

Why choose the Caledonian Hotel?

The Caledonian Hotel specialises in functions from 18th birthdays to 50th wedding anniversaries. Our friendly staff will go out of their way to ensure your function is a success. We have a number of food and drink options available and rooms suitable for sit down events and stand up cocktail parties.

Food?

Our cocktail food selection is very flexible and you choose how much food is served. Our cocktail food pricing is surprisingly economical and you are not required to spend a minimum amount per head. Our function coordinators will work with you to ensure you order enough food but not so much that it goes to waste.

We also have sit down function menus suitable for more casual events through to contemporary weddings, ranging in price from \$24 per head to \$60 per head.

Dining in our cafe provides the opportunity to pay separately for food and drinks.

Drinks?

You are able to choose from beverage packages or run a 'tab' on consumption to your specification.

Room Options?

We have a number of areas and rooms you can book exclusively for dining functions for varying numbers of guests. We have a spectacular beer garden/courtyard which is completely weatherproof and heated and cooled that you are able to book exclusively for day and night time functions. You are able to book out our restaurant dining room exclusively for 40-60 guests on a Friday or Saturday night and for smaller functions midweek. We also have other private rooms suitable for dining functions from 10 to 35 guests.

Other services?

Most of our areas and rooms have plasma screens that you can use to run a slideshow/photo presentations. All areas are connected to our sound system and music can be supplied from our extensive music library, CD's or an ipod.

A DJ is supplied in our main bar free of charge every Friday and Saturday night and we are happy to negotiate on other days.

Accessibility?

We are located close to the city at the northern most end of North Adelaide. We have free on site parking and loads of adjacent parking (unmetered) in Barton Terrace.
