Room Options

We have a number of rooms suitable for private dining events. They are suitable for as few as 10 guests up to a maximum number of 90 guests. The hotel has no steps anywhere inside and easy ramp access via the carpark and beer garden.

Bartons Restaurant

Our Restaurant has a wall of windows overlooking the North Parklands. The room is bright and airy and is welcoming and refined. With different setting and lighting options we can tailor it to suit your style of event from weddings to birthdays to Christenings or even reunions. The Restaurant has its own private bar for drink service. There is a screen available and you can play your own music selection. The room can be set on long tables or round tables.

Private Dining Room/The Boardroom

We have two smaller private rooms suitable for dining or small cocktail events. There are various layout options and customisable décor options to suit the specific needs and preferences for your event. Suitable for functions from 10 to 40 guests.

Decorations and Other Items

We will print customised menus, entry sign and drinks list for your event.

We offer items such as tea light candles and linen on your entry table to decorate your room free of charge.

We also offer additional moderately priced options to consider, eg candelabras, full linen cover, etc.

Function Menus

Function menus allow you to set your number of courses and selection to fix the price of the menu.

You can construct or tailor your menu from almost any of our choices. Feel free to mix and match the Classic and Signature options. A function menu will have a generous number of dish options to offer your guests on the day but provides more structure.

We are very happy to customise a menu to fit your budget.

Larger Groups a La Carte Menu

We are very happy to accommodate larger groups for dining events even when guests are paying separately. Our larger groups menu is a modified a la carte menu with lots of choices and different styles of food and price points. It doesn't include our smaller portion dishes but it does give you a complimentary garlic bread for your guests. See our attached larger groups menu. Note that you do not have the option of removing our signature items from this menu.

Ask about menu options for more than 50 guests.

Drink Options

All events have the option of various types of drinks service. Guests can pay separately for drinks, you can run a customised tab or choose a drinks package. We will customise your drinks selection and style to suit your requirements. Please ask for more information.
